Cabinets

- Cabinetry finish acceptable
- Doors and drawers are aligned, open smoothly, fully and do not clash
- Panels scribed to wall, acceptable amount of finish (no more gaps) used
- All shelves present (check sink shelf especially)
- Appliances fitted, but not secured (electrician to secure after wiring)
- Rangehood flu/ducting to be fitted by customer (unless specifically ordered with moda rep)

Bench

- Bench finish acceptable, bench level, joins acceptable (joins are always visible and can be felt)
- Bench sealed to wall in sink area

Other

- Waste fittings present for plumber (if moda supplying sink)
- Tap present for plumber (if moda supplying)
- Installer has left area in an acceptable state*
- Installer has caused no damage to property – refer to pre inspection sheet.

- Please note that the installer is performing work on goods that you own in your property. This will mean that there will be waste parts left over (filler panels, toekick, bench cutouts, packaging from appliances).
- This waste belongs to you and it is your responsibility for its disposal, unless this has been specifically organized with the moda rep at sign off.
- The installer should brush up and leave waste materials in a place designated by you in accordance with common sense and health and safety.
- Fine dust will be present in the kitchen. IT WILL REQUIRE CLEANING BEFORE USE. This is not the installers responsibility.

Installation is complete and I authorize final payment;
